Dear Sir/Madam

I am delighted to endorse Bryan K.Muema, a 2023 graduate in Business Administration Management from Daystar University in Kenya. As my cherished nephew, Bryan is keenly interested in securing an internship at your prestigious organization, particularly in Finance.

I honestly implore you to consider him favorably for any suitable openings. Furthermore, I wish to affirm my role as his primary referee, and will take full responsibility for attesting his integrity suitability and aptitude.

Yours sincerely.
